A MAN WHO FOUNDED A SHORTHORN TRADITION

The Tomson Story

Since 1886, when Tomson Bros. made their start in Shorthorns, seed stock of our breeding have gone all over America. Our greatest pride is that progeny of these cattle have won highest Grand Champion honor for others as well as for ourselves.

We have consistently bred cattle that would best utilize the natural products of range and farm — grass, grain, hay and silage, keeping in mind the needs of our modern beef market. We stand behind our cattle and their performance — another reason why customers keep coming back and Back and BACK!

The J-B Story

BROWN BRED CATTLE

The Browns of New Mexico have proved what Shorthorns can do under range conditions. Using registered Shorthorn bulls since 1880, their cattle have performed in a manner that has made them show winners and profitable to those who have used them in breeding and feeding programs.

The Brown Cattle Company for years has followed a policy of selling all dry cows, regardless of reason. This has made the Brown cows and offspring high, regular producers. Bad udders were eliminated, regardless of the quality and type of cows. Small teats were a must in their program. We have followed this program, also.

Because of this policy, cattle have made us money and they will make money for you. The Browns have always used top bulls, so their long-time record of Fat Carload winning at Chicago International is a tradition, as is their Feeder Calf winning at American Royal and many other club steers winning.

BROWN BRED CATTLE

LOUADO JAVELIN — By Glamis Benefactor. Sire of many winners for us. Full of red meat. One of our greatest sires.

WAKONIAN BINGO — Sired by Ringo, a bull sold to the Japanese government at a long price, who was used here before shipment, and his calves are extra good. Fine female family behind him close to a beautiful imported cow. Weight for age and in the right place. Truly a modern type so much in demand.

A CHAMPION IN THE MAKING — TOM TOMSON IN ACTION

Thomas K. Tomson, named for his great-grandfather, the founder of Tomson Bros., shows his Mid-America champion steer.

There is no more useful and beneficial influence available to rural youth of America than calf club projects.

Furthermore, they become even more valuable as economic demonstrations, helping to provide funds for future use and education. The spirit of winning is enhanced by handling the best calves available. Come early and make wiser selections. Future championships will come your way with the fall of the auctioneer's hammer.

Patricia Lee Stauffer and her champion heifer purchased from Tomson Bros. Her first calf sired by a Tomson herd sire was a top-selling, record-making bull in the Kansas State Sale.
